- ☒ transmitted to United States Patent and Trademark Office on the date shown below via the Office electronic filing system.

Date

Signed by: K.J. Rostberg

Dear Sir:

A request is made for the status of the above-identified application. We have not received any further communication from the United States Patent and Trademark Office since the national phase was entered on July 19, 2006.

An attempt was made to check the status through the PAIR system, however, the "First Action Prediction" tab does not appear.

Respectfully submitted,

Date
